The estimate of the year's business made last June, was \$32,000, under the expectation that the road would be opened to Dover Plains early in December. December must yield \$10,000 to bring the receipts up to the estimate, and with favorable weather the receipts will not be far short of that amount. The increase this year is December has been very promising.

The Columbus Insurance Co. of Albany have declared a semi-annual dividend of 5 per cent. The receipts on the Madison and Indianapolis Railroad in November were \$84,916. In November 1847, \$19,242.99. Increase, \$9,671.06—equal to 50 per cent.
